

**I was looking
for a solution
to the
problems
in my life!**

It started when I was in the Air Force

I began to realize that I had all kinds of problems. I realized I was full of personal dysfunction! Was there something more?

I ended up with nothing but questions! Should I just go on in life with this inner realization of being full of problems? What should I do about this?

Then for about 2 weeks I realized I was sinful. I figured that there was no way out. What should I do with my life after the Air Force?

Where could I find the answers!?

The answer was right in front of me!

As the questions swirled within me, I happened to go to a church meeting. The gospel was preached and I accepted Christ as my Savior. I experienced **forgiveness of my sins!**

I didn't realize at the time that Christ had come to live in me! I have been experiencing this now for many years.

**I needed a solution,
I found a Savior!**

You can know Him, too.

“If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved.” Romans 10:9
